

# CALL FOR ABSTRACTS

Joint Public Health Annual Conference

Picking up the Pieces – Public Health and COVID-19

Tuesday 17 November 2020

Live web conference

QUEEN'S  
UNIVERSITY  
BELFAST

Public Health  
Agency

Research and Development

Institute of  
Public Health

The conference brings together a host of speakers working in public health and will take place over half a day. There will be a number of keynote speakers and various breakout sessions.

Participate in the Joint Public Health Annual Conference by sharing your work on public health and COVID-19. The theme this year is COVID-19 - picking up the pieces. The focus will be on inequalities, such as ethnicity, deprivation etc.

The deadline for abstract submission is **Friday 16 October 2020**.

Please submit abstracts [here](#)
