Dear Consultee

Consultation on the Lifeline Crisis Response Service

I would like to invite you to participate in the public consultation to inform the future Lifeline Crisis Response Service.

The current Lifeline contract is due to end 31 March 2015 and the PHA is keen to engage with the public and relevant stakeholders to ensure that the future Lifeline service specification is appropriately informed and that future services are fit for purpose.

A consultation context paper and the response **questionnaire form** are available to download from **1 April 2014** on the Public Health Agency website at www.publichealth.hscni.net/consultations.

If you require a printed copy of the consultation documentation or an alternative format, please telephone (028) 37 414640 or email liz.mcgrath@hscni.net.

All responses must be received by **5pm on Tuesday 24 June 2014**. Following the end of the consultation period, the PHA will consider all the responses which will inform the decision making process on the future configuration of the Lifeline Crisis Response Service.

I look forward to receiving your views on this important consultation.
